Everyone is welcome to come to the meeting. If, while reading the assignment, you came across material that you either did not understand or had questions about it, write your questions down and bring them to the meeting. This will aid in insuring your question will be discussed. The value of the talk is responding to the questions of those in attendance for it insures the material is being understood by all those who are present. Remember, there are no dumb questions. Donations of \$1.00 for each pamphlet would help pay for the cost of printing them.
