THE TRUE VINE

I AM THE TRUE VINE ✠ YE ARE THE BRANCHES

For the last twenty years, the periodical *The True Vine* (TTV) has sought to convey the living and life-sustaining Faith of our Holy Orthodox Church, established upon "the Faith which was once delivered unto the Saints", enunciated by the Councils, confirmed by the confessions of the Martyrs, adorned by the lives of the Righteous, [and] becoming a treasure containing "things new and old" (TTV issue 1, page 8). *The True Vine* continues to provide translations of important Orthodox texts, and other writings of a serious theological nature, lives of the Saints, book reviews as well as topical articles on parish life and our clergymen. This wellspring of information should be in every Orthodox Christian's home! For details on obtaining issues of *The True Vine*, please see below.
