### Fasting

Let not the mouth only fast, but also the eye, and the ear, and the feet and the hands, and all the members of your body. Let the hands fast by being pure of avarice. Let the feet fast by ceasing from running to forbidden spectacles. ...For it would be an example of the highest absurdity to abstain from meats and from food because of the fast, but with the eyes to feed on what is forbidden.

*St. John Chrysostom*
